

Agile Business Day Venezia 17 Settembre 2016

Working Agile for Digital Innovation

Massimo Messina, Head of Group ICT

WHO

Massimo Messina	
Born	Last century
Eight	175cm
Family	Cristina, Flavia, Ica
Employer	UniCredit
Job title	Head of Group ICT
Education	Ph.D. Collaboration Learning
Hobbies	Coding, Fotografia, Cooking, Woodworking, Story Writing
Contacts	massimo.messina@un icredit.eu @MaxMex59

WHAT

Working AGILE FOR DIGITAL INNOVATION

food for thoughts One Opportunity

SPEED! SPEED

be ready for EXPONENTIAL

CREDIBILITY--

ASSETS

Hierarchy

Organizational ANOMIC

the defence against anomie and extreme engineering

PEOPLE vs PROCESS ORIENTED

REDUCTION OF THE DOCUMENTATION TO THE ESSENTIAL

HOLOCRACY

METHODOLOGY INTEGRALISM

"On April 26, 1956,...

"On April 26, 1956,...

5

a crane lifted fifty-eight aluminium truck bodies aboard an ageing tanker ship moored in Newark, New Jersey. Five days later, the Ideal-X sailed into Houston, where fifty-eight trucks waited to take on the metal boxes and haul them to their destinations.

Such was the beginning of a revolution. ".

MICROSERVICES

THE PRICE TAG

THE PRICE TAG

7

```
+ TRANSFORMATION ++
+ INNOVATION ++
MONEY - -
WASTE - SQUALITY ++
```

to interpret the IT mission

Governance

8

ONAL

FUNDAMENTAL ADAPTIVE

TRANSFORMATIONAL

Re-design our Information Systems incrementally

Exploit
MICROSERVICES and
Containers as new
atomic assets

Use new development principles modifying "genetically" the Agile methodology to better survive in large and complex enterprises

Enforce a Trust culture

Redefined concepts behind standards

Architectural and operational key facts embedded in the development process

Transform documentation in knowledge Management

Redefine teams and their interactions

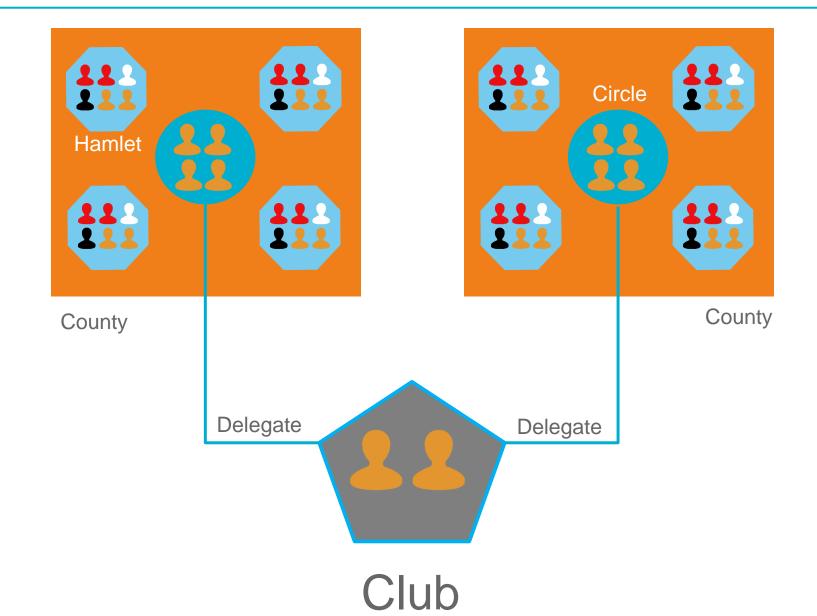

Hamlet

\geq

The transformation starts from the organization

TRUST AND CONTROLLED AUTHONOMY

We cannot ignore the assets syndrome

Agile must be used, genetically modified, without integralisms

HAMLETS-COUNTIES-CLUBS

Containers and Microservices

And...

KEEP IT SIMPLE and FAST

Thank you!
